Tabs3 Software Launches Tabs3 Cloud, Providing Another Option for Legal Billing and Accounting

Cloud-based software provides same functionality, data privacy, and convenience as on-premises version

Lincoln, Neb. – October 26, 2023 – Software Technology, LLC, the maker of leading legal practice management [Tabs3 Software](#), today announced the launch of Tabs3 Cloud for billing and accounting. It features all the power and flexibility of Tabs3 Billing and Financials, catering to firms that prefer a cloud-hosted environment.

Law firms can connect securely from any internet-enabled device and have complete access to the same easy-to-use interface and data privacy that Tabs3 clients have relied on with the traditional on-premises version of Tabs3 Software.

“Tabs3 Cloud will allow attorneys and law firm staff to work from the office, at home, or on the go, all while maintaining the highest levels of security, privacy, and confidentiality,” said Dan Berlin, President and CEO of Software Technology, LLC. “Tabs3 Cloud provides every feature that Tabs3 clients are accustomed to using, without potential hardware hassles. We are committed to providing the best experience for all users, whether on-premises or in the cloud.”

Tabs3 is esteemed in the legal industry for its history of providing flexible, customizable, and powerful tools with features that have transformed the way tens of thousands of legal professionals work. Every feature in Tabs3 Billing and Financials is available in Tabs3 Cloud, from invoice creation and report generation to financial matter management and payment collections. It’s also backed by Tabs3’s outstanding U.S.-based support team.
